

THE LEGEND OF THE DOGMAN

DAVID C. POSTHUMUS

Something dark and malevolent stalks the majestic Northwoods of Michigan, and each corpse sends a new wave of terror through the small town of LeRoy. Anthropology professor Jack Allen uncovers a pattern of strange encounters, disappearances, and unsolved murders that shake him to his core. The deeper Jack delves into the horror in the woods, the more his life falls apart around him. With his family and all of Northern Michigan hanging in the balance, Jack must find a way to stop the cycle or risk losing everything to the ultimate predator. Meet a new kind of monster in David C. Posthumus's bone-chilling suspenseful thriller, *The Legend of the Dogman!*

David C. Posthumus began his writing career at age six, when his grandfather read one of his first-grade publications and labeled him "Ernie (Hemingway) Jr." Posthumus is a voracious reader of many genres, fiction and nonfiction, and an avid horror fan and fiction writer. He has published extensively in the fields of anthropology and Native American studies, including one published book (*All My Relatives: Exploring Lakota Ontology, Belief, and Ritual*, University of Nebraska Press, 2018), one book forthcoming (*Lakota: Culture, History, and Modernities*, University of Oklahoma Press, 2022), as well as several journal articles, book chapters, and reviews. Aside from having the perfect surname for horror, Posthumus loves dogs, the great outdoors, and is also a musician and lifelong music lover.
